

Please arrive at Chatham Street Parking lot at the time specified on the Permission Slip for the camping event this month. Always arrive 20 minutes EARLIER than the departure time so that you have time to get your gear in the trailers and take attendance.

**Eat dinner before you arrive** as we do not eat the Friday night at camp. You may also bring a bag supper, but you MAY NOT eat in leaders cars or the vans.

Have all your equipment packed in one backpack or duffle bag and be sure to write your name on things you do not want to get lost. We have items forgotten each campout !!

Please check in with Mr. H. for attendance and any medication for camp.

We will return home, at the return time on the Permission slip, to the same drop-off location, please be prompt.
