

Paul Stenbuck

“I still feel that I receive more from Scouts than I ever put in.”

This year (2009) Paul has been involved Boy Scouts of America for 50 years. The last 38 of them are with Troop 200 in Cary North Carolina. Both he and his two sons were active scouts. Peter received the rank of Eagle in 1973 with Troop 200 and Jonathan with Troop 2, Hastings-on-Hudson, NY in 1965.

Paul was also a boy scout. He was in the Order of the Arrow.

Some of his most favorite memories were with another troop, Troop 2. Paul was camping out in 8 degrees Fahrenheit weather, and snowing. The scouts had to put their hands on the fire to warm them up.

Another one of his memories is the trip to Philmont with Troop 200. Paul was walking on the trail to the Tooth of Time. On his way he came up to a mule deer. The mule deer was there because it could smell food that other camper's had. So the mule deer smelled Paul's hand and ran off.

After all that Paul has been through it's an honor to have him with us in Troop 200.
